

**PROPOSED AMENDMENTS TO THE NORFOLK FA STANDARD CODE OF RULES FOR YOUTH FOR  
2022-23**

**Proposed by Norfolk Women's & Girls League and/or Member Clubs**

***i) Update to 18.5 - NWGFL – Caroline Aldous***

Youth rule 18.5 regarding the de-registration of players refers to a fee in the fee tariff but there is currently no fee mentioned in the tariff so this needs to be added in. Tom Constance advised that the fee amount should be £10. I cannot see this rule in our Adult rules so should it be added into them along with the applicable fee also – ***NWGFL – Caroline Aldous***

***ii) Update to LR20.2 - Wymondham Town – Mark Walker***

Kick off time 10 am to 2 pm We would like to put forward a change to this rule and change the kick-off time to 9 am to 2 pm range. Why As we continue to grow our clubs and league, we are experiencing greater pressures on our pitches and with the leagues at times asking six teams to play at home on the same day often causes problems with trying to get the games played which will increase over the next few seasons as this growth continues at place. Moving to more manageable times helps support the increase and give the clubs better support to be able to manage this. –

**Kick off range to be set at the AGM**

## PROPOSED AMENDMENTS TO THE NORFOLK FA STANDARD CODE OF RULES FOR 2022-23 **ADULT**

Proposed by Norfolk Women's & Girls League and/or member clubs

### *iii) Update to LR20.1 - NWGFL Ben Binder*

A copy of the fully completed team sheet must be emailed to the Divisional Secretary within 3 days of the fixture completion. Failure to do so may incur a charge as per the Fines Tariff. We want to add in a requirement to send in the team sheet to the Divisional Secretary – **NWGFL – Ben Binder**

**Included in SCOR**

### *iv) Update to 20 (E) 2 – NWGFL Ben Binder*

Any Club with more than one Team in the Competition shall always fulfil its fixture, within the Competition, in the following order of precedence:- First Team, Reserve Team, A Team. Worth mentioning Ladies 7's (or 9's) in this too, to prevent clubs with teams in both postponing a 11's game to bolster their smaller sided team, especially in crucial games - **NWGFL – Ben Binder**

**Included in SCOR**

### *v) Update to LR20.5 - NWGFL Ben Binder*

Do you think we should have a variation of LR 20.5 in SCOR? Currently in SCORY we have: With the exception of points v) and vi) above, at least 7 days notice of any such postponement shall be given. Failure to give the required notice may result in a fine in accordance with the Fines Tariff. Unless I am mistaken, we don't have any reference to postponing a game within 7 days in SCOR. Proposal SCORY - At least 7 days notice shall be given for any postponement. Should a postponement be sought within 7 days of an upcoming fixture, may result in a fine in accordance with the Fines Tariff – **NWGFL Ben Binder**
